

Engineers Club of Kansas City (ECKC) is a not-for-profit service organization dedicated to improving the impact of the engineering community on our metropolitan community. Founded in 1911, the Club includes engineering leaders from city and county governments, engineering consultants, construction contractors and industry.

One of the most important programs of the Club is our College Student Assistance Program. Annually, the program provides more than **\$50,000** in support to the educational endeavors of engineering students from the Kansas City metro area and with your help, we can do more!

One of the principle sources of funds supporting the College Student Assistance Program is the ECKC's annual Shrimp Bingo Party. All proceeds from ticket sales and sponsorships for the event are donated to the Student Assistance fund. **WHAT? Yes, that's right! All proceeds go back to the Student Assistance Program to keep STEM strong in KC!**

Ticket and Sponsorship Information are part of this package. **On behalf of the Engineers Club, I would like to invite you to consider a donation for this year's important event.** Your contribution is tax deductible, and your support will be repeatedly recognized throughout the event. Instructions and details are provided in the attached flyer. Simply fill out the form, mail it in with your sponsorship contribution and provide your company's electronic logo (logos via e-mail to [Jason.Waldron@kcmo.org](mailto:Jason.Waldron@kcmo.org)). Sponsorship recognition is displayed at various locations at the event, as well as on placemats at each setting.

We believe this program is a great way to build upon your positive reputation within the Kansas City engineering community. It is an excellent opportunity to gain exposure to an influential group that plays a vital role in the building of our community, while supporting a most worthy cause. We look forward to your participation in this year's event. Call me at 816-799-4792 or send an e-mail to [Jason.Waldron@kcmo.org](mailto:Jason.Waldron@kcmo.org) if you have any questions.

Our event continues to grow in popularity and we're again expecting to provide entertainment, shrimp, and bingo to over 1200 engineers and related professionals this year. We hope to see you, your friends, clients and co-workers among the 1200 faces on January 26th!

Sincerely,

Jason Waldron, P.E.

## SHRIMP BINGO

### SPONSORSHIP GUIDELINES

Of course, all contributions will be accepted with proceeds going to the ECKC's Student Assistance Fund. For higher levels of sponsorship we offer three levels of special recognition at the event. All three levels will receive recognition on game instruction placemats at each table and as a group on a large screen video presentation displayed throughout the hall. Sponsors receive additional recognition in video presentation according to the following schedule:

Platinum Sponsors	<b>\$1,000</b>	2 Individual recognitions (1 per slide)
Gold Sponsors	<b>\$500</b>	1 Individual recognition (1 per slide)
Silver Sponsor	<b>\$250</b>	Recognition in group (2-3 per slide)

Please provide an electronic version of your company's logo in common format (.jpeg, .mpeg, .gif, etc.) for our use in preparing the sponsorship materials.

To offer us the most flexibility in developing the prize offerings, we request cash sponsorships only. Checks should be made out to **Engineers Club of Kansas City**. Mail your check with this form to:

Melissa Prenger  
City of Prairie Village | 3535 Somerset Drive | Prairie Village, Kansas, 66208

Deadline for sponsorship registration is **December 31, 2017**.

If you have any questions, please call:
