Friends and Colleagues,

On behalf of the Engineers Club of Kansas City (ECKC), I would like to invite you to the 2019 Shrimp Bingo event on February 1, 2019, at the Overland Park Convention Center. While we will miss our “home” for the past 13 years at the Ritz Charles, we are excited to revisit the OP Convention Center for the 2019 event.

Shrimp Bingo continues to be a premier social and networking event in the area (over 1,200 in attendance); however, that has always been a secondary goal. The mission of Shrimp Bingo continues to be funding our College Student Assistance Program, which gave out over \$75,000 in engineering scholarships last year and over \$719,000 in scholarships since 2001.

We cannot be this generous to future engineers without you and your company’s continued support. In order to maintain a similar level of support to our young engineering students, we must raise the price of tickets and sponsorship packages to offset the higher venue costs.

Ticket and sponsorship information can be found in the attached flier. We will again have a tiered early bird pricing structure, with the opportunity for our platinum and gold sponsors to develop their own sponsorship slides for the event. This friendly competition resulted in some great slides with Kaw Valley Engineering taking the top prize, followed closely by VSM Engineering and Shockey Consulting last year. In addition, we are looking for volunteers to help out our friend and longtime emcee Brian McCrary. Brian will continue to “perform” at our event but will start sharing the stage and microphone. If you or someone you know has what it takes to entertain a room full of rowdy engineers, please let me know.

I would like to thank everyone in advance for your generous support of STEM in Kansas City and for keeping Shrimp Bingo the marquee event envied by other professional organizations everywhere. I look forward to seeing you in February.

Sincerely,

  
Jason Waldron, P.E.

# Sponsorship

## SHRIMP BINGO | 2.1.2019

Of course, all contributions will be accepted with proceeds going to the ECKC's Student Assistance Fund. For higher levels of sponsorship we offer three levels of special recognition at the event. All three levels will receive recognition on game instruction placemats at each table and as a group on a large screen video presentation displayed throughout the hall. Sponsors receive additional recognition in video presentation according to the following schedule:

Platinum Sponsors	<b>\$1,500</b>	2 Individual recognitions (1 per slide)
Gold Sponsors	<b>\$1,000</b>	1 Individual recognition (1 per slide)
Silver Sponsor	<b>\$500</b>	Recognition in group (2-3 per slide)

Please provide an electronic version of your company's logo in common format (.jpeg, .mpeg, .gif, etc.) for our use in preparing the sponsorship materials.

Deadline for sponsorship registration is **December 31, 2018**.
