ECKC's Scholarship Fund

Our mission is to promote Engineering as a career path for high school and university students. Over the last decade we've provided over \$500,000 in scholarships to university students from the greater Kansas City area.

Maybe you've joined us at our Spring Golf outing, or maybe (likely!) you joined us at Shrimp Bingo! We're kicking off our inaugural Fall Networking event at Top Golf!

What a great way to start the Holiday season (it's the Thursday before Thanksgiving). Grab some clients and colleagues and enjoy an afternoon/evening of golf, networking, food & drinks and fun!

Each bay includes 6 golfers, but registering with fewer than 6 is fine too, you'll get to make new acquaintances!

Non-golfers are welcome too, just \$40!
