The E-Club Board has made the decision to proceed with our regular spring golf tournament. The golf tournament continues to grow year after year and this EVENT is a great way to network and spend the day with peers, play golf and contribute to higher education for our future engineers. Interest is very high this year, please act quickly.

The mission of this golf tournament continues to be funding our College Student Assistance Program, which gave out over \$66,500 in engineering scholarships last year and over \$800,000 in scholarships since 2001.

Thank you for your support of E-Club Student Assistance Program!

# Sponsorship Opportunities
